

Australia and New Zealand, by Cunard

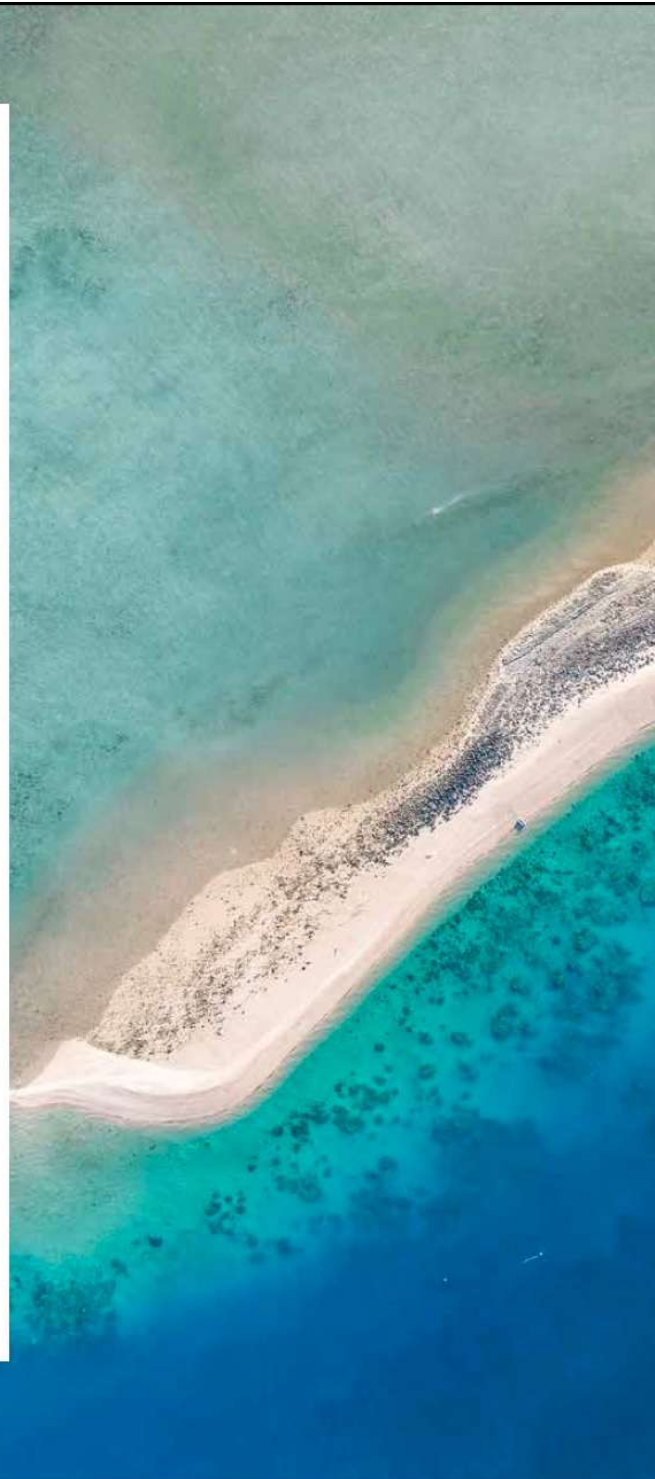

Outstanding natural parks. Iconic UNESCO World Heritage Sites. Cerulean seas lapping golden sands. These are just some of the sights you can expect on a voyage to Australia and New Zealand. Whether you yearn for the iconic sights of Sydney's harbour, exquisite seascapes of Great Oyster Bay, or the natural wonders of the vast Pacific Ocean, Cunard's new Australia and New Zealand voyages will ignite your wanderlust.

Perhaps you'll sail Fiordland National Park, where the mountains are encased in emerald-coloured trees. Maybe you'll discover the captivating harbour city of Dunedin, which enthral with its wonderfully preserved Victorian and Edwardian architecture, and dramatic coastal peninsula. Or taste the cosmopolitan nightlife of Auckland and Hobart with overnight calls in these bustling artistic cities.

There's the almost perennial sunshine and thriving food and arts scene of Perth, New Zealand's stunning Bay of Islands, historic Port Arthur in Tasmania, and so much more to explore. Of course, no Australian or New Zealand voyage would be complete without sampling a home-grown wine at a vineyard, so why not take the opportunity to explore historic wineries in Napier too?

Selected voyages even head further afield to call overnight in Honolulu, while others include a day in Bali, where you'll be free to wade in the warm shallows of tropical island seas.

Your Australasian journey with Cunard begins here, where every day at sea is a new adventure, and every port of call is a world waiting to be discovered.
