

Short Breaks, by Cunard

Sail away from Southampton on a Short Break and experience all that our Queens have to offer, even if it's only for a few days. These short voyages allow you to experience the best of Northern Europe's culture, history, art, and natural beauty while you enjoy a taste of the varied delights of our elegant ships.

From a port call in Zeebrugge, spend an afternoon exploring medieval Bruges, with its picture-perfect canals, horse-drawn carriages, and exquisite local beer and chocolate. Wander the museum-lined streets of vibrant Amsterdam and stroll through works by Rembrandt and Vermeer in the Rijksmuseum. In regal Rotterdam, marvel at the bold post-modern architecture and shop for one-of-a-kind fashions in chic boutiques.

Uncover centuries of seafaring history in Kiel and Hamburg, which are home to fascinating maritime museums. Explore the neo-renaissance architecture of Hamburg's stunning Rathaus before admiring seven centuries of art in the Kunsthalle museum.

For those who've a taste for natural splendour, spend two days taking in the iconic honey-coloured cliffs and emerald waters of England's Jurassic Coast on Queen Mary 2.

With plenty of indulgence on board between port calls, from soothing spa treatments to evening entertainment and fine dining, our Short Breaks offer the perfect way to experience Northern Europe's treasures and a few rejuvenating days at sea. Return home relaxed, enlightened, and inspired.
